South Africa is a haven of spectacular scenery, abundant wildlife, diverse cultures and first world norms, topped with a healthy and invigorating climate. These qualities, as well as a relatively cheap currency, make it an adventure destination not to be missed. A country virtually the size of Europe with over 3000 kilometers of unspoiled coastline, boasting climatic differences from searing hot desert to snow-capped peaks, and varied cultures, from the primitive Bushman to the most Western of ways. We visit the highlights, but leave the beaten track to explore the great outdoors. Overnight stops are mostly at Drifters owned properties and reserves where extensive conservation and game introduction projects have created truly unique accommodations and surroundings. The tour requires a certain amount of flexibility and an adventurous mentality.

DAY 1: JHB - BUSHVELD CAMP

We depart at 06h30 in the morning to travel the scenic road to Mpumalanga. Along the way we visit Dullstroom, traverse Robbers Pass and spend time at the quaint historic town of Pilgrim's Rest. Thereafter we wind our way down the escarpment to the Lowveld bushveld where we overnight in our well appointed **DRIFTERS BUSH CAMP**. In a private reserve adjacent / unfenced to the Kruger Park, the tented camp is tastefully designed, totally blends in with the environment, and offers comfortable beds, en-suite bathrooms, a refreshing swimming pool, and stunning views over the surrounding bush. Dinner tonight is cooked on the open fire.

DAY 2: BUSHVELD CAMP

We start the day with the customary coffee and rusks, before setting off on a game walk. We walk for approximately 3 hours in search of game, stopping regularly to learn more about the ways of the bush. A Drifters guide and tracker lead all walks.
